## **POLICE DEPARTMENT**

School is back in session and the Police Department will be doing extra patrols in the school areas and also at Bus Stops. Children are getting on the buses when it is still dark so please be extra careful around the Bus Stops. Be especially watchful for children walking to school. **Halloween** will soon be upon us, so think about the safety for our children. Reflective tape on costumes and flashlights should be used during this time. Parents should escort their small children on their "Trick or Treating" runs and the older children should pay attention to traffic when crossing the street or when helping the smaller children to cross the street. Parents should examine candy before allowing their children to eat it.

A reminder to lock your vehicles when parked and make sure your home is secure.

Thank You.
