A penalty will be assessed for all payments made after the posted due date. Utility accounts are considered past due 15 days following the due date. If service is discontinued for delinquency, the full unpaid balance plus a \$25.00 reconnect fee must be paid to restore service. If my account is closed and not paid I am responsible for any fee that is charged for collection of my unpaid debt. I have read and understand the terms for which water, sewer and trash service will be billed to my account, and that all of the above information is correct. I further understand that the Board of Alderman may revise my rates.
